## YMCA SCHOOLAGE ENRICHMENT PROGRAM AT THE FULTON COUNTY YMCA

YMCA School Age Enrichment Program is designed to be a resource for your family during this difficult and often confusing time. Enrichment Days will be structured to provide your child time and space to complete their virtual coursework. Our Y staff may be able to provide some guidance, but we will not be responsible for teaching lessons or monitoring individual progress. These full days will blend time for both virtual learning and engaging programs including free play, sports, games, crafts and STEM activities.

**Pricing:** We have multiple packages to choose from to best suit your individual childcare needs.

**The Hybrid Enrichment Package:** \$125 per week for members/\$160 per week for non-members.

- This option is for your students 3 Virtual Learning Days, 7am-6pm and two before and after school days when your student attends school in person, 7am-8:30am and 3:30pm-6pm. **(Currently Johnstown District only)**
